

REMARKS

Claims 1 to 24 are pending in the application.

The purpose of this amendment is to insert the reference to the parent application of which this is a Section 371 National Phase and place the application headings in appropriate U.S. form, to correct a typographical error at page 52, to insert the designation "Prior Art" to Figure 17 and to correct legends in Figures 2 and 16 to correspond to the specification (see Embodiments 1 and 10, respectively). Such amendments are formal in nature and no new matter is added by any of the above amendments. Entry of this amendment and early examination of this application are respectfully solicited.

Respectfully submitted,

Yoshikazu TANAKA, et al.
